MRS. A. P. GENTA
Director
1966 Girls State

Dear Citizens:

When you think of the week of June 19-26, 1966 spent at Girls State, I hope you believe that after what we owe God, nothing should be more sacred than the love and respect we owe to our Country and its' emblem our Flag.

To each of you I say "Watch"! , yes watch, lest creeping carelessness allow you to loose those things that are precious. Watch, lest your convictions become watered down in a silly sentimentality. Watch, lest your recreational activities take the place of your convictions. Watch, lest your life be a stumbling block to others, rather than a light that subdues the darkness.

If you want to experience a real delight, rise above the average. Do something better. Anybody can do half-way, or as good as the average. It is the point beyond that which makes for joy.

Nan M. Genta

Citizens of 1966 Girls State:

I hope you gained much knowledge from the 1966 sessions of Girls State.

It is the wish of the American Legion Auxiliary that you return to your home towns and schools and share your experiences of Girls State with your families, friends, and your schools.

This program is sponsored annually by the American Legion Auxiliary and we in the Auxiliary depend upon you citizens of Girls State to promote this Americanism program.

May God be always with you in every undertaking of your life.

Sincerely,

Mary Russell
