PATRIOTIC AND TRADITIONAL SONGS

Amazing Grace

Amazing grace, how sweet the sound
That saved a wretch like me.
I once was lost, but now I'm found,
Was blind, but now I see.

Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed.

Through many dangers, toils, and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

The Lord has promised good to me,
His work my hope secures;
He will my shield and portion be
As long as like endures.

Yes, then this flesh and heart shall fail,
And mortal life shall cease,
I shall possess within the veil,
A life of joy and peace.

America (My Country 'Tis of Thee)

My Country! 'Tis of thee, Sweet land of liberty, of thee I sing.
Land where my fathers died! Land of the Pilgrims' pride!
From ev'ry mountainside, let freedom ring!

My native country, thee, Land of the noble free, Thy name I love,
I love thy rocks and rills, Thy woods and templed hills;
My heart with rapture thrills, Like that above.

Let music swell the breeze, And ring from all the tress, Sweet
freedom's song.
Let mortal tongues awake; Let all that breathe partake;
Let rocks their silence break, The sound prolong.

Our fathers' God, to Thee, author of Liberty, To thee we sing.
Long may our land be bright with freedom's holy light,
Protect us by Thy might, great God our King.

America, America

America, America
Shall we tell you how we feel?
You have given us your spirit
We love you so.

Peace, Peace, Peace, Peace
Wars may come and wars may cease
We must learn to live to together
Peace, Peace, Peace

Love, Love, Love, Love
Love is the gospel of the world
Love they neighbor as thy sister.
Love, Love, Love.

America, The Beautiful

O beautiful for spacious skies, For amber waves of grain,
For purple mountains majesties above the fruited plain!
America! America! God shed His grace on thee.
And crown thy good with brotherhood from sea to shining sea!

O beautiful for pilgrim feet, whose stern impassioned stress,
A thoroughfare for freedom beat across the wilderness.
America! America! God mend thine ev'ry flaw.
Confirm thy soul in self-control, thy liberty in law.

O beautiful for heroes proved in liberating strife,
Who more than self their country loved, and mercy more than life!
America! America! May God thy gold refine
Till all success be nobleness and every gain divine!

O beautiful for patriot dream that sees beyond the years
Thine alabaster cities gleam undimmed by human tears!
America! America! God shed His grace on thee
And crown they good with brotherhood from sea to shining sea!

I'm a Yankee Doodle Dandy

I'm a Yankee Doodle Dandy, A Yankee Doodle do or die;
A real live nephew of my Uncle Sam's; born on the Fourth of July.
I've got a Yankee Doodle Sweetheart; she's my Yankee Doodle joy.
Yankee Doodle went to London, just to ride the ponies;
I am a Yankee Doodle boy.

Barges

Out of my window, looking in the night
I can see the barges flickering light
Silently flows the river to the sea
And the barges too go silently.

{Chorus}: Barges, I would like to go with you
I would like to sail the ocean blue
Barges, are there treasures in your hold
Do you fight with pirates brace and bold.

Out of my window looking in the night
I can see the barges flickering light
Starboard shines green and the port is glowing red
I can see them flickering far ahead. {Chorus}

Out of my window looking at the night
I can see the barges flickering light
People are going far, far away
And I'd like to go with them some day. {Chorus}

How my heart longs to sail away with you
As you sail across the ocean blue
But I must sit beside my window dear
And watch you sail away from here. {Chorus}

Battle Hymn Of the Republic

Mine eyes have seen the coming of the glory of the Lord,
He is trampling out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of His terrible swift sword;
His truth is marching on.

{Chorus}: Glory, glory hallelujah! Glory, glory hallelujah!
Glory, glory hallelujah! His truth is marching on.

I have seen Him in the watch fires of a hundred circling camps.
They have builded Him an altar in the evening dews and damps;
I can read His righteous sentence by the dim and flaring lamps;
His day is marching on. {Chorus}

He has sounded forth the trumpet that shall never call retreat;
He is sifting out the hearts of men before His judgement seat;
Oh be swift, my soul, to answer Him! Be jubilant, my feet!
Our God is marching on. {Chorus}

In the beauty of the lilies, Christ was born across the sea;
With a glory in His Bosom that transfigures you and me;
As He died to make men holy, let us live to make men free,
While God is marching on. {Chorus}

Climb Every Mountain

Climb every mountain; search high and low,
Follow every by-way, every path you know.
Climb every mountain, ford every stream,
Follow ev'ry rainbow, till you find your dream!

A dream that will need all the love you can give,
Ev'ry day of your life for as long as you live.
Climb every mountain, ford ev'ry stream,
Follow ev'ry rainbow, till you find your dream!

Getting to Know You

Getting to know you, getting to know all about you;
Getting to know you, getting to hope you like me.
Getting to know you, putting it my way, but nicely,
You are precisely my cup of tea!

Getting to know you, getting to feel free and easy;
When I am with you, getting to know what you say.
Haven't you noticed? Suddenly I'm bright and breezy
Because of all the beautiful and new
Things I'm learning about you, day by day.

God Bless America

While the storm clouds gather far across the sea,
Let us swear allegiance to a land that's free.
Let us all be grateful for a land so fair,
As we raise our voices in a solemn prayer.

God Bless America, land that I love; stand beside her and guide her
Through the night with a light from above.
From the mountains, to the prairies, to the oceans white with foam,
God Bless, America, my home, sweet home;
God Bless America, my home, sweet home.

Taps

Day is done, gone the sun
From the lake, from the hills, from the sky,
All is well; safely rest, God is nigh.

You Are My Sunshine

You are my sunshine, my only sunshine,
You make me happy when skies are gray.
You'll never know dear, how much I love you;
Please don't take my sunshine away!

It's a Small World

It's a world of laughter a world of tears,
It's a world of hopes and a world of fears,
There's so much that we share that it's time we're aware,
It's a small world after all.

Chorus: It's a small world after all, it's a small world after all,
It's a small world after all, it's a small, small world.

There is just one moon and one golden sun
And a smile means friendship to ev'ry one,
Though the mountains divide and the oceans are wide,
It's a small world after all.

Chorus

Let There Be Peace On Earth

Let there be peace on earth, and let it begin with me,
Let there be peace on earth, the peace that was meant to be.
With God as our Father, brothers all are we;
Let me walk with my brother, in perfect harmony.

Let peace begin with me, let this be the moment now;
With ev'ry step I take, let this be my vow;
To take each moment and live each moment in peace eternally.
Let there be peace on earth, and let it begin with me!

The Star Spangled Banner

Oh, say can you see, by the dawn's early light
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched ere so gallantly streaming,
And the rockets red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
Oh, say does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave,

Oh, thus be it ever when free men shall stand
Between their loved homes and the war's desolation!
Blest with victory and peace, may the heav'n rescued land
Praise the Pow'r that hath made and preserved us a nation,
Then conquer we must, for our cause is just,
And this be our motto: "In God we trust!"
O'er the land of the free and the home of the brave.

This is My Country

This is my country! Land of my birth.
This is my country! Grandest on earth!
I pledge thee my allegiance, America, the bold;
For this is my country, to have and to hold!

What difference if I hail from North or South, or from the East or West?

My heart is filled with love for all of these.
I only know I swell with pride and deep within my breast
I thrill to see "Old Glory" paint the breeze.

This Land is Your Land

I've roamed and rambled, and followed my footsteps
From the golden sands of her garden desert
And all around me this voice was saying
This land was made for you and me

{Chorus}: This land is your land, this land is my land,
From California to the New York Island
From the Redwood Forests to the Gulf Stream water,
This land was made for you and me.

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me!
{Chorus}

When the sun comes shining and I was strolling,
And the wheat fields waving and the dust clouds rolling;
As the fog was lifting, a voice was chanting,
"This land was made for you and me."
{Chorus}

With the moon shining all around

Do Your Ears Hang Low?

Do your ears hang low
Do they wobble to and fro
Can you tie 'em in a knot
Can you tie 'em in a bow
Can you throw 'em over your
shoulder
Like a continental soldier
Do your ears hang low?

Do your ears flip, flop
Can you use 'em for a mop
Are they stringy at the bottom
Are they curly on the top
Can you use 'em for a swatter
Can you use 'em for a blotter
Do your ears flip, flop?

Do your ears hang high?
Do they reach up to the sky?
Do they droop when they're wet?
Do they stand up when they're dry?
Can you signal to your neighbor
With a minimum of labor?
Do your ears hang high?

Do your ears hang wide?
Do they flap from side to side?
Do they wave in the breeze
From the slightest little
sneeze?
Can you soar above the nation
With a feeling of elation?
Do your ears hang wide?

Do your ears fall off?
When you give a great big
cough?
Do they lie there on the
ground
Or bounce around at every
sound?
Can you stick them in your
pocket,
Just like little Davey Crocket?
Do your ears fall off?

If I Was Not Upon the Stage

If I was not upon the stage one place I'd rather be...

If I was not upon the stage,

A policeman I would be.

I'd sing my song, all day long,

"Hey, You, Get off my street!"

If I was not upon the stage one place I'd rather be...

If I was not upon the stage,

A gym teacher I would be.

I'd sing my song, all day long,

"Up and up and do-o-own!"

"Hey, You, Get off my street!"

If I was not upon the stage one place I'd rather be...

If I was not upon the stage,

And engineer I would be.

"Two feet by four feet, Bam-Bam-Bam!"

"Up and up and do-o-own!"

"Hey, You, Get off my street!"

A gardener I would be

"Dig a hole, plant a seed, wait until it grows!"

A waitress I would be

"Here's your food, here's your drink, here's a bag, Oops!"

A painter I would be

"Here's a pot, here's a brush, slap it on the door"

Found a Peanut (to the tune of Oh My Darling)

Found a peanut, found a peanut

Found a peanut just now

Just now I found a peanut

Found a peanut just now

Cracked it open, cracked it open

Cracked it open just now

Just now I cracked it open

Cracked it open just now

It was rotten...

Ate it anyway...

Got a stomach ache...
