New Mexico Girls State 1986

The thirty-ninth annual session of New Mexico Girls State was held on the campus of New Mexico Military Institute. On Sunday, June 8, delegates from every high school in New Mexico arrived to participate in this program sponsored by the American Legion Auxiliary. During the week, the girls learned about city, county and state governments and made many new friends. On the following Saturday, June 14, the girls parted, taking with them many memories and knowledge from their new experiences.
